Ipswich Central Library
40 South Street, Ipswich

Access to Library carpark off
Roderick Street

3.00—4.30pm

RSVP Wednesday, 22nd of August 2019 to:

corinne.m@ucommunity.org.au

Benefits

- Enhance the transition from school to work
- Real-life work experience in a variety of roles at the hospital
- Build competitive, transferrable and marketable job skills
- Increase your independence, confidence and self-esteem
- Receive work-based coaching, instruction and feedback

Find out more

Come along to find out more about Project SEARCH, the benefits of participating and how to get involved. Project SEARCH is a one year school-to-work program based entirely in the workplace, combining hands-on training, worksite rotations, career exploration and some classroom instruction.

Eligibility

People with a disability aged 17 - 23 who are eligible to receive NDIS funding under the School Leaver Employment Supports Category in 2020.
